

8 CORE THINKER EXPERT GROUPS      TEACHING RESOURCE

1. CORE THEORY [Introduce and explain your thinker's core theory (ies). Use key terms & examples.]

2. TAG LINE [Craft a tag line (slogan) that captures the essence of your thinker's core ideas about economics.]

3. HYPOTHESIS TESTING [On page 80-81 of your thinker readings match / attribute / connect one of the three proposed hypothesis to your thinker. Explain your choice.]

4. GOALS [Select the top 3 economic goals (from the list of 10 in the provided readings) your thinker would prioritize given their ideas / contributions to economic thought. Justify your selection.]

DISCUSSION QUESTION [Craft one discussion question that works directly with your thinker's core idea / theory. The question must link to a topic studied thus far in the course.]
