PROPAGANDA

The treaty forced Germans to give up land.
Democracy wasn't working well with depression.
The Nazi party took over and started attacking for land.

The Govt wasn't working out. A new leader easily worked his way up in the ranks to 'restore' GER.

RISE OF DICTATORSHIP & EXTREME POLITICS

Many places were in a depression, new leaders came in with hope.

The politics and Govt showed hate to specific people.

TREATY OF VERSAILLES AND GERMAN HUMILIATION

PROPAGANDA

RACIAL SUPERIORITY

The Germans were forced to pay debts and lose land. This led on to depression.

Through books, media etc, many ethnic societies were shown as superior or others were terrible.

DEPRESSION

Since the LON was crumbling, they were forced to let Hitler attack.

APPEASMENT

WEAKNESS OF THE LEAGUE OF NATIONS

ISOLATIONISM

LOSS OF GERMAN TERRITORY

The territory lost put GER in a bad position with Govt economy. People didn't want or expect another war.

MEMORIES OF WWI

The depression and losses that occurred in/post-WWI.

INDIFFERENCE

People and LON were told not to fuel Hitler's uprising. They ignored it. No funds, so they hoped he would stop.

Economic downfall which led to political downfall which created conflict. Non-involvement.

→ Big connections
→ Good connections
→ Weak connections

Propaganda → Rise of Dictatorship & Extreme Politics

The media propaganda helped build dictatorships and portray them as hopeful to society. It was an extreme political tactic to take over.

Weakness of LON → Appeasement

The LON was weak and didn't want to go through WWI problems so they allowed Hitler since they thought he would stop as he wanted Territory back.

Weakness of LON → Rise of Dictatorship & Extreme Politics

The LON couldn't do anything to stop the dictating regime before the manipulation and uprising.
