

Charter Scenario Test

Name _____

/20 Possible Marks

Instructions

1. For the scenario below, use the four-step **Charter Analysis** to structure your answer.
 2. You must answer in full sentences on the paper provided. Even if you work in point-form.
 3. You must submit your answers and your case notes with your test.
 4. You must support your points in STEP 2 & STEP 3 with relevant precedent cases studied in class and offer detailed explanations and/or examples given your analysis of the scenario. Cite cases as (Case Name)
 5. Let the total possible marks for each step of the test guide the length of your answer.
 6. **STEP 1 = 1 mark / STEP 2 = 4 marks / STEP 3 = 14 marks (3 + 3 + 4 + 4) / STEP 4 = 1 mark**
